

Dear Professor/Scholar,

I am writing to you in order to express the interest we have as an Academic Publishers in finding students to work for us through the **Erasmus+ traineeship** programme.

Brepols Publishers is an international academic publisher of works in the humanities. The focus of its publications lies in primary sources from Antiquity, the Middle Ages and the Early Modern period.

If you believe any of your students (undergraduate, Master's candidates, PhD candidates, Postdoc) would be interested in working for **Brepols Publishers (Thessaloniki, Greece office)** through the **Erasmus+ program**, we would very much appreciate your help in this endeavor.

If a candidate is interested, he/she can contact us for further information (also see file attached) via the following e-mail address: dimitrios.kyrtzis@brepols.net

Kind regards,

Dimitrios Kyrtzis
(Bibliographer at Brepols Publishers, PhD candidate in Neo-Latin Literature).
